

Bringing the World Closer

CHAIRMAN'S MESSAGE

Greetings Fellow Council Members:
Winston Churchill once said that "Russia is a riddle wrapped in a mystery inside an enigma." In March, we'll be joined by someone able to better decipher this complex riddle that is Russia. **Vladimir Kara-Murza**, the Russian journalist, activist and political dissident, will join the Council to discuss "Dissent in Putin's Russia." Kara-Murza's visit is further proof of the timeliness and relevance of the work of our Council. Bringing the world closer becomes more important by the day, as we are buffeted with news from all sides during this age of information, or perhaps even misinformation. Non-biased and knowledgeable experts are needed in these times, and we strive to bring them to you, our Council supporters. It is encouraging to look out at the crowd gathered at UNF for our Global Issues Evenings and see so many engaged global citizens. We encourage you to bring your friends and peers, and we thank you for your ongoing support.

EDUCATION

Hear from our 2018 Recipients of the Ambassador McAfee Scholarship

The annual Ambassador Marilyn McAfee Scholarship Program presents multiple scholarships to undergraduate and graduate students with outstanding academic performance and career aspirations in international business, public policy, foreign affairs or military service. Named in honor of former Council Chairman Ambassador Marilyn McAfee, the purpose of the scholarship program is to help defray costs of an international experience as part of the recipients' educational development.

STEVEN GARCIA - UNIVERSITY OF NORTH FLORIDA
The German Federal Archives in Berlin, Germany

"The goal of my research was to collect documents which may provide me with greater insight into German colonial administration in the colony of German Southwest Africa. As a scholarship recipient, on every weekday from July 18th to July 27th, I left my hostel for the archive and spent my time collecting the personal files of governors, police sergeants, and judges. I would like to express my deepest thanks for the financial assistance granted me through the Ambassador Marilyn McAfee Scholarship."

NATALIA RIVERA-PACHECO - UNIVERSITY OF NORTH FLORIDA
Geneva, Switzerland and Lyon, France

"I would like to thank everyone at the World Affairs Council of Jacksonville for the Ambassador McAfee Scholarship Program, and for giving me the opportunity to study abroad. Our class visited the Office of the United Nations High Commissioner for Human Rights, the Red Cross Museum, the World Health Organization, and the International Prevention Research Institute. We also completed a mock international discussion at the Lyon II University with local students."

ASHLEY OSWALD - UNIVERSITY OF NORTH FLORIDA
Nakuru, Kenya

"For twelve days, our team from the UNF School of Nursing submersed ourselves in Kenyan culture, learning about medical standards of practice, local customs and courtesies, and education in Kenya. Our primary project during this trip was the execution of a medical camp in conjunction with Kenya partners. I would like to express my sincerest gratitude and thanks to the World Affairs Council for your generosity and support. I had such lofty plans and expectations for my trip before my departure, but I could not have ever imagined the impact those 12 days would have on my heart."

GROWING OUR COMMUNITY

You, our members, sponsors, and supporters, make the Council's programming possible. You've shared some incredible experiences with the Council, and we want to make sure you get to share these experiences with others, too. If you know somebody who might be interested in joining the Council, invite them to join you as a guest at our next event. You can call our office to let us know, and we'll help you make any necessary arrangements. Together, we can continue growing the Council's community footprint and bringing impactful programs to Jacksonville.
